Our First Exhibition

Members are again reminded of the need to fill out the Entry Form for our exhibition in October.

The organising committee really need this information NOW!!

So, please fill out a form and hand it to one of the committee members, Fiona or Steve Ross, Peter Howell, Lister Sabin, Dennis Cashen or Arthur Westwood at a meeting or send it to Fiona Ross, 32 Melaleuca Dve, Upwey 3158

July Meeting

The meeting was attended by 33 members and two guests. The President welcomed all and noted apologies from Denis Cashen, Arthur Westwood and Merv Kahn.

A report was delivered by the Clubroom Committee followed by brief discussion.

Fiona Ross requested that members complete the application forms for the exhibition as soon as possible.

Steve Ross advised members that "The Woodsmith" is moving from Ivanhoe to Cnr Burgess and Canterbury Roads Bayswater. This move would be late August or early

September. (*Good news for local woodworkers.*)

Members were again reminded to bring "Show-and-Tell" items along to each meeting.

* * * AUCTION * * *

As promised, the July meeting was the annual auction and what an auction it was.

The range of items for auction was incredible. The bidding was fierce, and a very good nights entertainment was had by all.

The committee would like to thank Peter Howell for his donation of a hand-saw to the club tool-kit after having to bid so furiously to buy it in the first place.

The efforts of David Jaimie didn't go unnoticed either, he tried so hard on so many occasions to win the bid for a wide range of items, his efforts went, in most cases, un-rewarded. Better luck next time David.

Our resident auctioneer is going to need 12 months "rest" to allow his voice to recover. (*Not that it was that good before.*)
