Volume 4 No. 3

February 1992

Knox & District Woodworkers Club Inc.

Welcome to 1992

The committee would like to wish all members, and prospective members, a happy New Year for 1992.

(May all your New Years resolutions come true. - Ed)

We would also like to take this opportunity to say thanks to Jean Gillingham for the lovely Christmas Cake she donated to the club at the Christmas Break-up function, and from the kids, a big thanks to Santa for the gifts (and to Alf Stephens for letting Santa know where we were).

Badges

All Knox & District Woodworker badges held by original FTG foundation members should be handed to Peter Howell at this (Feb.) meeting for suitable inscription. Financial members only may avail themselves of this service - no exceptions.

December Meeting

Bob Morrisson attended the December meeting to show us how to turn a variety of lidded-boxes.

He also threw in a very entertaining evening with his demonstrations.

Thanks Bob.

(Bob is a member of the Dandenong Woodworkers Association and the Victorian Woodworkers Association. Bob also conducts woodturning classes at very reasonable rates - more details can be obtained from your committee. - Ed)

Hands-On Night 12/2/92

Instead of our regular hands-on night for February 12, we have been invited to a special demonstration night presented by Richard Coles.

Richard graduated from the Canberra School of Arts to specialise in chair design and has been designing and making custom commissioned pieces since 1984.

For our night he will be showing us how to make a box (NOT the turned variety), carving, and tuning a Plane. *(Is that how to get it "B----- Flat" on the bottom? - Ed)*

There is a strict limit of 30 people permitted to attend, so please ensure the committee are aware that you wish to go.

Details:

Coles School of Woodcraft
11a Tudor St. Burwood
12/2/92 7.30pm
