AUGUST 1995

NEWSLETTER

The 'Be In It' Competition that we were going to have at the August meeting has been changed to a later date. We have a Bar B Que lunch planned for Sunday, 17th September 1995 with the 'Be In It' Competition items on display.

We don't have any judges as yet, but if any of the wives feel that they would like to have a go at judging "and they couldn't do any worse than some of the past judges that we have had" would you please get in contact with me before Sunday, 27th August 1995 on 97583599 because that is when I will be starting work on the next Newsletter and we hope we will be able to announce who our judges will be and the competitors will be able to get their little bribes together but I know the ladies cannot be bribed.

I am washing the dishes during September. Wednesday, 4th October is the date of our 8th Annual General Meeting. All positions on the Committee will become vacant. It is your club come along and have your say.

Those who braved the cold weather and made it to our Casserole Crazy Wist night on the 15th July really did enjoy themselves. Julie O'Connor won won the door prize. Frank O'Connor won the Crazy Wist (men) Lauren Kann and Nancy Stephens (equal first women) Pat and Paul Phillips cleaned up on what was left. It was good to meet Pat Phillips but don't leave your drink alone near her (BOO Mits gone)

That story at Pat is not all true but I have the power of the press on my side and you all know I wouldn't tell a lie.

The date for four next Casserole Krazy Wist night is Saturday, 11th November 95 at 6.00 p.m. \$5 per head. you can be assured of a very good night with lots of laughs, and as for the food it was great, big variety, and lots of it.

I know it is only august but if we don't book early for our Christmas Break up Party we won't get into the better class venues. I have booked Malabu Restaurant (Stylus) for Sunday, 26th November lunch time 100 p.m. This is a really hot venue and the food is excellent at \$16.00 per head.

Bookings will close on Wednesday, 1st November with a \$10 deposit. After lunch, if you can still move, you will all be invited to either watch or take part in a session of Line Dancing.

The person who moved the chuck from the back of our new radial arm saw could you PLEASE return it, we need it to be able to get the full use of this piece of equipment.

Are we really 'SMART' ??

Did you know:- That the world's largest Eucalypt farmers are Brazil and China ?

That Portugal is the world's largest producer of Eucalyptus oil ?

That Chileans are selling us blue gum described as "Chillean Oak"

That the Finns are selling Gum Trees to Africa ?

That Africa, Israel and America are the main growers of our desert Shrubs?

These examples clearly show the opportunities which other, smarter nations see in Australia's Biological Resources. What are we doing ??
