TREASURER - Dick Kors 929-1224
NEWS EDITOR - Phil Wetherly 9720-2347

NEWSLETTER

FEBRUARY, 1996

With Christmas well and truly over with, it's time to get down to work on 1996, which I am sure will be another busy year for us all. **The Knox Festival which is only next month, so much to do with so little time.**

WOOD CARVING CLASSES - Michael Cook. Our tutor has once again started carving classes on Saturday mornings starting at 11.30 a.m. to 3.30 p.m. At the moment there are only two or three people attending the classes so it would be nice to see a lot more members showing up and having a go. All tools and some patterns are supplied. You might like to bring some timber along, as long as it is not too hard to carve (*No experience necessary*).

KNOX FESTIVAL - 16th - 17th March -

As always, a lot of time and effort go into making a festival a success. This year will be no different. To start with we will need a *Sub Committee* to organise all the activities and member power.

We will need plenty of help on both days to run the **club stall, kids corner, demos, woodcarving and turning**. Would each member please donate two or three items for the stall which will in turn raise money for us to buy tools and equipment.

USING THE THICKNESSER - Over the past months the blades on the thicknesser have had to be replaced due to a small number of members putting second hand timber through without checking out for nails or stones. It has now been decided that before using, each member must get the keyholder to check your wood before using. Hopefully this will stop the blades having to be replaced and money can be spent on something else.

LETTER OF THANKS - FROM 'THE SMITH FAMILY' - dated 9th January, 1996.

"Dear Members,

The Smith Family would like to thank you for your kind donation of hand crafted wooden toys which we received on 22nd December.

These toys were very special and the children who received them were excited and grateful for such individual gifts which made their Christmas a more joyous occasion.

We have also acknowledged the generous support from Bayswater Timber Mite 10 and sent them a thank you letter also. Thanks once again for your considerate donation and all the best to you for a Happy New Year.

Yours sincerely, Phelia Keble-Johnston, Material Aid Supervisor."

CONGRATULATIONS

PUZZLE COMPETITION

Throughout last year we ran a puzzle competition with each newsletter (with the help of Alf supplying all the puzzles)

Only a small number of members took part, but I believe all concerned and their families enjoyed the challenge.

Yes we have a winner

WENDY AND BRUCE ALLEN

THEY HAVE WON A NIGHT OUT FOR TWO AT 'STYLUS'

Coming in at second place and only 10 points behind were Frank and Julie O'Connor.
