KNOX FESTIVAL - With the Knox Festival well and truly behind us I think we would all agree it was a roaring success, despite rain on both days and a mix-up on which gate the public were to enter through. On Sunday this was rectified by the organisers making space for the Kids Corner, right next to the stage. The result was children were lined up three and four deep. By 1.00 p.m. not one kit was left. The members who ran the Kids Corner on both days did a fantastic job raising close to \$700.

Our two young members (sorry I don't know your names) maned the car park on both Saturday and Sunday, only stopping to grab something to eat and drink. Saturday night they opened the car park to cater for people who came to see the fireworks. Total amount taken was \$350. We certainly hope both of you will take this on next year. Well Done.

To all the ladies and Aussie once again did a great job on the Devonshire Teas and cold drinks, both days showed a steady flow of customers throughout. Not once did I see Aussie washing any dishes. He was too interested in counting the money. Profit of \$360.

Once again the raffle went well, thanks to Jean Whyte who sold tickets on both days showing a profit of \$295.

The Club stall was very quiet over the weekend with a small amount of members donating items for sale.

Profit over the two days was an all time low of just \$134. After all expenses we made a profit of \$1,753.99.

We had many enquiries from people who were interested in joining our Club.
