*Wednesday, October 2nd, 1996*

*The above date marked the occasion of our 9th Annual General Meeting which was attended by 37 of our Club Members. President Alf Stephens, after opening the proceedings, introduced three specially invited guests, Maria Orpan, who has played a prominent role in the Club's affairs and Jean Gillingham and her daughter, who were also very involved in the Club's early evolution.*

*The business segment was quickly disposed with, noteworthy for the announcement by Treasurer Dick Hors, that the Club's financial affairs had been audited by Gary Pope ready to be despatched to the Office of Business Affairs. The 'Bill Gillingham Trophy' was then presented jointly to Paddy McBean and Paul Phillips, for outstanding services to the Club during the past year, by Jean Gillingham and a special Trophy for his dedicated contribution to the Club's interests by David Howell, was presented by Maria Orpan. The Executive Committee positions were then declared vacant and arrangements organised to elect the 1996/7 Committee.*

*Maria Orpan, at very short notice, graciously agreed to oversee the subsequent procedure which resulted in the election of the following Committee.*

<i>President</i>	<i>Paddy McBean</i>
<i>Vice - President</i>	<i>David Howell</i>
<i>Secretary</i>	<i>Fred Moore</i>
<i>Treasurer</i>	<i>Dick Hors</i>
<i>Other Member</i>	<i>Paul Phillips</i>
<i>Newsletter Editor</i>	<i>Fred Moore</i>

*The incoming President, Paddy McBean, thanked our Guests, for their attendance and valued participation and then declared the Meeting closed.*

### Thought for the Month

A man may be a fool and not know it  
But not if he's married !

## Junior 'Woodchips'

The last Saturday of each month is now dedicated to Father/Son, Grandad/Grandson, working in tandem, thus forging a strong and lasting bond, for boys aged at least 5 years old and their fathers/grandfathers. We are running two separate sessions of 2 hours each day, from 10am - 12 pm and from 1 pm to 3 pm. The adult concerned will prepare small projects prior to the day, leaving as much as practical for the Junior 'Woodchip' to assemble and clean up. Ideally, the project should be small and simple, but interesting, to enable the completion of the project in the 2 hours allotted. We have a few ideas for first projects and are always open for suggestions.

**Note! Junior 'Woodchips' are not allowed in the machine shop.**

## Disclaimer

*We can categorically state that the story now circulating, that Dick Hors mistook his right thumb for a knurl of knotty pine, is a vicious rumour without any foundation.*

### December General Meeting

Bruce Allen will be demonstrating a tool which greatly simplifies the task of producing elegant dovetail joints.

### A November Assignment

We will be promoting our popular "Kid's Corner" activity at the Park Ridge Primary School, Rowville on 30th October 1996 from 9.30 am to 4 pm.
