November 1996

Once again we can look back on a highly successful involvement in the Stringybark Festival as confirmed by the favourable comments by Mr Lyn Davies and his fellow Commissioners. This event, held on Saturday, October 19th and Sunday, October 20th, 1996, was financially the most rewarding with which we have been involved. I feel, also, that our aim to attract and entertain the local community was fulfilled beyond our expectations. There were 4 aspects to our presentation, (a), 'Kid's Corner', where we helped the kids, (their parents too), to assemble almost 300 kits, eg. Tool Boxes, Pencil Cases, Cradles, Cars, Buses and Bunnies, (b), Sales of Club and Member's wooden wares, (c), Demonstrations of Woodturning and Woodcarving and (d) our Festival Raffle, 1st Prize, a No. 4 Rocking Horse, donated by Club Members, who devoted many Monday nights to it's construction and 2nd Prize, a Wooden Wheel Barrow Planter, complete with plants, made and generously donated by Jean and Arthur Whyte. Last, but not least, the interest aroused, enabled us to communicate to the general public, the activities and facilities available to Club Members.

The success or failure of these functions is not an automatic and haphazard consequence, but is achieved by careful planning and a great deal of effort behind the scenes, both before and during the event. I am pleased to report that the contribution of time, skill and camaraderie within the Club was, and is, alive and well, for which we thank the Members who contributed so freely of their time and effort.

On your behalf, I would like to thank, most sincerely, Nancy Stephens, Jean Whyte and Nancy Watson for contributing so much to the success of our undertaking at the Festival.
