September 1997

nce again we are approaching the final stages of another highly successful year. We are indebted to a small group of highly dedicated Members, who spare no time or effort in furthering the advance of the Club. If we consider the acquisitions in the form of tools and working conditions and the constant growth in Membership, then we must regard this as steps in the right direction, particularly as the strength in Membership must be to our advantage when discussing our value to the

Community.

Of course this reminder of the approach the end of yet another fiscal year, means that most of us are now required to renew our financial commitment, so that we are eligible to vote at the coming Annual General Meeting. We would remind you that all Financial Members are eligible to stand for Executive positions or just as importantly to nominate someone, who is prepared to serve on the Committee, but please advise the Committee at least 7 days in advance.

NOTE! FEES ARE NOW DUE
