November 1997

**W**e have had an extremely busy and successful weekend with the Stringybark Festival on Saturday and Sunday, 18th and 19th October 1997. We again broke our record for the Rocking Horse Raffle ticket sales and our 'Kids Corner' kits sales.

I wish to take this opportunity to say a sincere thank you to all those Members and family Members who came along on either or both days of the Festival to contribute to it's success. It was terrific to have so many of our newer Members involved, including 6 of our lady Members, helping the kids enjoy themselves in the 'Kids Corner', selling Raffle Tickets and staffing our goods stall. We had 25 Members attend on Saturday and 24 on

Sunday. Thank you all for your support and enthusiasm.

I must also thank all those Members who gave so freely of their time, energy and skills over the past six months crafting the Rocking Horses for the Raffles, making and preparing the 600 kits for 'Kids Corner', also the planter boxes and the bird feeders. Your efforts are much appreciated, without which we would have had nothing to contribute and no end product.

There are a number of individuals who gave more generously of their time and energies than others ! I will not mention them individually, but they know who they are and to them I would like to convey my

appreciation to them for their contribution above and beyond the call of duty. Thank you all most sincerely.

Unfortunately, now that Stringybark is over we need to start organising for the Knox Festival. Volunteers are urgently needed to assist with preparing kits, etc. Monday evenings, from 6.30 pm, will be devoted to this endeavor. Please contact one of the Committee Members if you are able to assist.

Tom Coghlan has been energetically pursuing his given task of assembling a calendar of demonstrator's for the months ahead and from results so far, the coming year should be a varied and interesting one. I thank Tom for his application to this task.

As we are approaching the end of the year we will be looking to organise at least two Working Bees before Christmas. We will let you know when times and dates have been decided.
