President's Report

s notified in last month's Newsletter, we had our arranged factory tour to S. J. Bambra Pty Ltd, 'Coffin Manufacturers', 18-20 Futura Road, Keysborough at 9am on Saturday, 22nd November 1997.

Although the attendance by Members was disappointing, the six Members who did turn up were pleasantly surprised and enjoyed their two hours of being shown around a very well organised and equipped Manufacturing Facility. The tour was chaperoned by Peter Bambra, Managing Director of the Company. Peter has a wealth of knowledge of the Furniture Manufacturing Industry and runs an extremely efficient business. We were treated to the experience of observing the complete operation, starting with the base timber being cut to various sizes, then assembled, spray painted and finally the trimming of the final casket (coffin). I, for one, found the visit very enlightening; there was more to it than meets the eye. We thanked Peter for his valuable time and for giving us the opportunity. Thanks are due to Tom Coghlan for organising the visit. Thank you and well done Tom.

Again we are fast approaching the Festive Season. Another year has flown by, almost unobserved. We will be closing the Club Rooms on Friday, 19th December 1997 and re-opening on Monday, 5th January 1998; but before we close, I would remind you of two important dates, (1) Saturday, 13th December 1997, our final Working Bee for the year, from 8am to 12 noon and (2), ~~Sunday~~ ^{SAT}, 13th December 1997, our end of year 'Break-Up BBQ', from ~~12 noon~~ ^{5pm} onwards. All Members and their families are cordially invited to this event. Come along and enjoy the fun.

May I take this opportunity to wish you and your families a happy, healthy and safe Christmas and I look forward to sharing with you, a bright and successful 1998.
