

Ingrained

Knox & District Woodworkers Club Inc.

45 Glenfern Road
Ferntree Gully 3156

Volume 10

May 1998

It is with pleasure that I say welcome to all our new Members. Since the Knox Festival we have increased our Membership by 10. Our Membership now stands at 120 of which 18 are of the gentle sex. If your Committee, including myself, can be of any assistance do not hesitate to let us know. I look forward to seeing you in the near future.

My sincere thanks to Tom Coghlan for organising the demonstration of both lace and lace-bobbin making by Edna and Bob Atkinson at our April Meeting. We had a wonderful attendance of 61 people, Members, their partners and friends. From comments received everyone, including

myself, thoroughly enjoyed themselves, with requests for more of the same in the coming months.

Last, but by no means least, appreciation and thanks go to the 25 Members who came along and worked so diligently at our 'Working Bee' on Saturday 18th April. We certainly got through a lot of work, but unfortunately we still have further work needing to be done. So if you can plan ahead I am intending another 'Working Bee' on Saturday 16th May at 8 am onwards. If you will be able to devote some of your valuable time and skill to this vital cause, please come along and join us. Thank you all in anticipation. I look forward to seeing you there.

Paddy McCann

Vale

We extend our sincere sympathy to our Public Relations Officer, Noel Dawson, during this period of mourning for the decease of his dear wife Iris.
