June 1998

This has been a busy month of commitment involving Club projects, visits to and from other Woodwork Clubs, as follows :-

Saturday, June 6th.

A visit to Warragul Woodworker's Club, which 21 Members attended. It was a very productive and enjoyable day out. Our thanks to the Warragul Club for their hospitality.

Saturday, June 13th.

A visit from Wonthaggi Woodworker's Club. About 20 of their Members visited our Club rooms and we spent a very pleasant and informative afternoon getting acquainted over a BBQ lunch. Our thanks to our visitors, we hope that they gained something from the visit. Our thanks also, to those 30 of our Members

who attended on the day, to help welcome our visitors and especially to those who contributed with their time and efforts in making the BBQ lunch such a success.

Saturday, June 20th.

A Working Bee from 8 am. We are indebted to the 14 Members who attended on that cold morning to help with the pick and shovel work under the verandah, in preparation for concreting, the digging of holes and the erection of the first stage of our new storage shed; last, but by no means least,, the preparation of the floor in the old shed, which was relocated during the previous Working Bee. My thanks go to all those who attended on the day and worked so hard getting through so much

manual labour. A special thanks to Frank O'Connor for his time and expertise, creating the new storage shed , preparing the material , then welding it, during his own time after work, so readying for the erection on Tuesday. We also thank him for obtaining the excellent deal he negotiated for us during the purchase of the necessary materials from his employer, Lockers Pty Ltd. Thank you Frank, well done.

A very well deserved 'thank you' also, to Michael Cook, who, every Monday night, over the past couple of years, has been imparting his skill and experience teaching several of our Members the art of woodcarving. He should be proud of the result of his efforts, as evidenced :

by the excellent carvings produced by those Members who participated. Michael is unable to continue supervising these classes, due to personal commitments. He will be missed by his Monday night pupils and we all wish him every success in his future endeavours.

Finally, and sadly, with reference to the decease of our friend Arthur Whyte, I thank all those Members, and their families, who attended and supported Jean and her family at the beautiful and moving funeral service on Thursday, 18th June 1998, at Lilydale Memorial Chapel, Lilydale.
