Volume 10

June 1998

**T**his has been a busy month of commitment involving Club projects, visits to and from other Woodwork Clubs, as follows :-

Saturday, June 6th.

A visit to Warragul Woodworker's Club, which 21 Members attended. It was a very productive and enjoyable day out. Our thanks to the Warragul Club for their hospitality.

Saturday, June 13th.

A visit from Wonthaggi Woodworker's Club. About 20 of their Members visited our Club rooms and we spent a very pleasant and informative afternoon getting acquainted over a BBQ lunch. Our thanks to our visitors, we hope that they gained something from the visit. Our thanks also, to those 30 of our Members

who attended on the day, to help welcome our visitors and especially to those who contributed with their time and efforts in making the BBQ lunch such a success.

Saturday, June 20th.

A Working Bee from 8 am. We are indebted to the 14 Members who attended on that cold morning to help with the pick and shovel work under the verandah, in preparation for concreting, the digging of holes and the erection of the first stage of our new storage shed; last, but by no means least,, the preparation of the floor in the old shed, which was relocated during the previous Working Bee. My thanks go to all those who attended on the day and worked so hard getting through so much

### Vale

We mourn the death of our esteemed Member and colleague, David Arthur Whyte, who passed away peacefully on Thursday, 11th June 1998. Our deepest sympathy is extended to his wife Jean, son David and family. Arthur will be sadly missed by all who had the pleasure of knowing him, he was such a thorough gentleman.
