The response to our questionnaire on the popularity, or otherwise, of various Social Activities, as revealed by the 14 Members who participated, produced the following results

	In favour		In favour
Restaurant	13	Site Barbeque	11
Coach Trip	9	Cinema	8
Theatre	5	City Activity	5
Card Night	4		

Considering only the first 4 proposals as being an encouraging response, the groups supporting these concepts are as follows :-

Wendy Moller, Bill Ide, Tom Buchanan, Peter Sleeman, Merv Kann, Paul Curran, Neil Bengough, Janice McRitchie, Paddy McCann, Jim Diveney, Bruce Allen, David Howell, Ian Ferris.

Site Barbeque

It now requires one or more Members from each group to organise an appropriate activity for the year ending December 1989.

It is astonishing to note that although the Club Membership now totals 132, of whom 19 are of the gentle sex, there is never a suggestion of overcrowding in the workshops.

General Meetings for 1998

**Mr Ted Anderson
of
Forest Hill Turners
A demonstration of laminated/segmented turning.
Wednesday, 5th August**

LAMINATED/SEGMENTED TURNING

This is for all the experienced and budding turners in the club. If you have ever been to the woodworking exhibitions and seen an unusual article that has been turned from pieces of timber glued together, then you have seen what is called "*laminated or segmented*" turning.

If you have thought to yourself, "how is this done"?, then you need to come along to our August meeting next week.

We have Mr Ted Anderson from the Forest Hill Turners coming along to demonstrate laminated and segmented turning. This demonstration will be well worth seeing by all of our woodworkers. Please show your appreciation to Ted giving up his time by us having a good turnout.

CARBI-I-TOOL

A tour has been organised to the *CARB-I-TOOL* factory for Wednesday 26th August at 7.00 p.m. sharp.

We will commence the tour at the factory, located at 10 Levanswell Road, MOORABBIN, which will take approximately one hour. We will be shown the working of router bits and saw blades.

This will be followed by us continuing onto 76 Levanswell Road, where we will be provided with refreshments and given the chance to purchase from a large range of router bits at very reasonable prices (**CASH ONLY PLEASE**).

Everyone is welcome, the more the merrier. We would like to have at least 20 people attending to make it worthwhile for the people giving up their time to show us over the factory.

If you can attend please write your name up on the white board so we can advise the CARBI-I-TOOL people as soon as possible for catering purposes for supper.

Looking forward to seeing you all there,

TOM COGLAN
