October 1998

The Month of October heralds the start of another year . Our Annual General Meeting on Wednesday, 7th October is the time when we elect our Officers for the coming year. If you wish to register a vote during those Elections then you must of course be a Financial Member, as stated in the September Newsletter.

An opportunity to purchase items from the vast range of their goods available, at specially reduced prices, was eagerly snapped up by our Members. On behalf of the Club I thank the Management and Staff of Carb-I-Tool for their time and hospitality on the evening. I also thank

our own Tom Coghlan for organising and making the visit possible, and also Paul Phillips, who arranged the use of the Knox Council Coach for the evening, which made the journey there and back so much more pleasant.

We have had a very busy year all round which tells me that the Club is alive and well. Our Membership has grown steadily to 138 which also is a very good sign. This month highlights a Special Occasion in the Club's affairs, the 10th Anniversary of the Foundation of the Club and we are planning a celebration of this event for Sunday, 18th October from 12 Noon. Invitations to attend have been posted to all Past and Present Members to join us on the day to celebrate this Milestone.

The Stringybark Festival will be held on Saturday, 24th and Sunday, 25th October at Rowville and we have again Committed the Club Members to participating, running our popular Stall,

We are taking this opportunity to send all Members a book of 10 Raffle Tickets, giving Members, their family and friends the opportunity to participate in this Raffle. If you are unable to sell all the tickets, please return your full or part empty book to a Member of the Committee before the date of the Festival. We also urge all Members who have time available, to assist, on either or both days of the Festival. This is one of our major Community and
