PRESIDENTS REPORT

This month my thanks go to Tom & Kerrie Coghlan for the new set out of the newsletter, it looks great, I hope other members agree.

The committee would like all members attending the club rooms to pick up their newsletter and cross their names from the list at the front door. Members names in the attendance book will be taken as having received their newsletter and will not be sent one via the mail. Last month a saving of \$25 was achieved by members picking up their newsletters.

Last months guest speaker, Kevin Wanstall, from St. Johns Ambulance Group gave a very interesting talk & demonstration on C.P.R. and emergency first aid.

Thirteen Members attended the demonstration and talk on the use of various bench saws and the buzzer.

The kits for "Kids Corner" are coming along and I would like to thank the members involved.

Here's to safe woodworking.

David Howell – President.

Newsletter Distribution

We are trying a new method of
distributing the newsletter. My aim
is to have the newsletter completed
one week before the general meeting.
I will be leaving them at the front
door with a list of all club members.
As you take your copy please make
sure you cross off your name on the
list. Any newsletters not taken will
be sent out by mail.

Guest Speaker

I was at the Woodworking show last year,
checking out all the wonderful displays,
when I saw one that took my eye. It was a
stand demonstrating "Pynography".
(The art of Wood Burning)

I thought to myself, I must have a demo for
the Club and this demo will be at our
meeting on 4th August 1999.

We have ROSS CURRIE from
Healesville coming to demonstrate this art
and giving us a chance to try our hand at
Pynography - Don't miss this unique craft
- see you there.
