February 2000

President's Report

W

ith this the first Newsletter for 2000 I would like to wish you all a Happy and Healthy New Year. The Christmas 'Break-Up' was well attended and thanks go to all who helped to set it up and bring along Sweets, etc.

Members took advantage of having the Club Rooms open over the break, which is good to see.

The Club has received a 'Thank You' letter from the Angliss Hospital for the Rocking Horse the Club donated to their 60th year Raffle and was won by somebody living in the Hills area.

Knox Festival 2000, Saturday 18th and Sunday 20th of March is being set up as a Festival to remember. Our site is in the same position as last year. We have just obtained a supply of Lining Boards for 'Kids' Corner Items', so, if you have any time to spare the production lines are up and running again.

I would like to thank Peter Sleeman and the Members who helped him with the making of 49 plus 1 Folding Chairs for the Club Rooms. If you know where the missing one is, please see that it is returned.

If Members are not sure of the correct use of any particular machine or tool, please ask for instruction, as again another machine has been damaged by misuse and luckily nobody was injured, so please be careful and ask if you're not sure.'

David Howell
President

Our Guest Speaker on Wednesday, 2nd February will demonstrate the Art of French Polishing.
