VOLUME 12

PRESIDENT'S REPORT.

APRIL, 2000

* * * * *

Last month's Newsletter was all about getting ready for the Knox Festival 2000, which is now in the past.

We had a good weekend, weatherwise, for the Festival, but the number of visitors seemed to be down. A great turnup of members helped with the Kid's Corner and the Rocking Horse Raffle. I thank all those who turned up to help, with special thanks to Jean and the two Nancy's helping with the Raffle.

The Rocking Horse Raffle was drawn by the Festival Co-ordinator, Ms. Catherine Rinaudo, Ticket No. 1865, being the winner, namely Mr. Geoff Trood, a Vietnam Veteran, helping at the Festival, who said it would go to a good home, as he had eleven grandchildren.

It's a pity, but it seems to be the same members who give up their time to make items and help at the Festival, whilst others use all the club facilities, and cannot help with the Festivals and other projects or return Raffle Books.

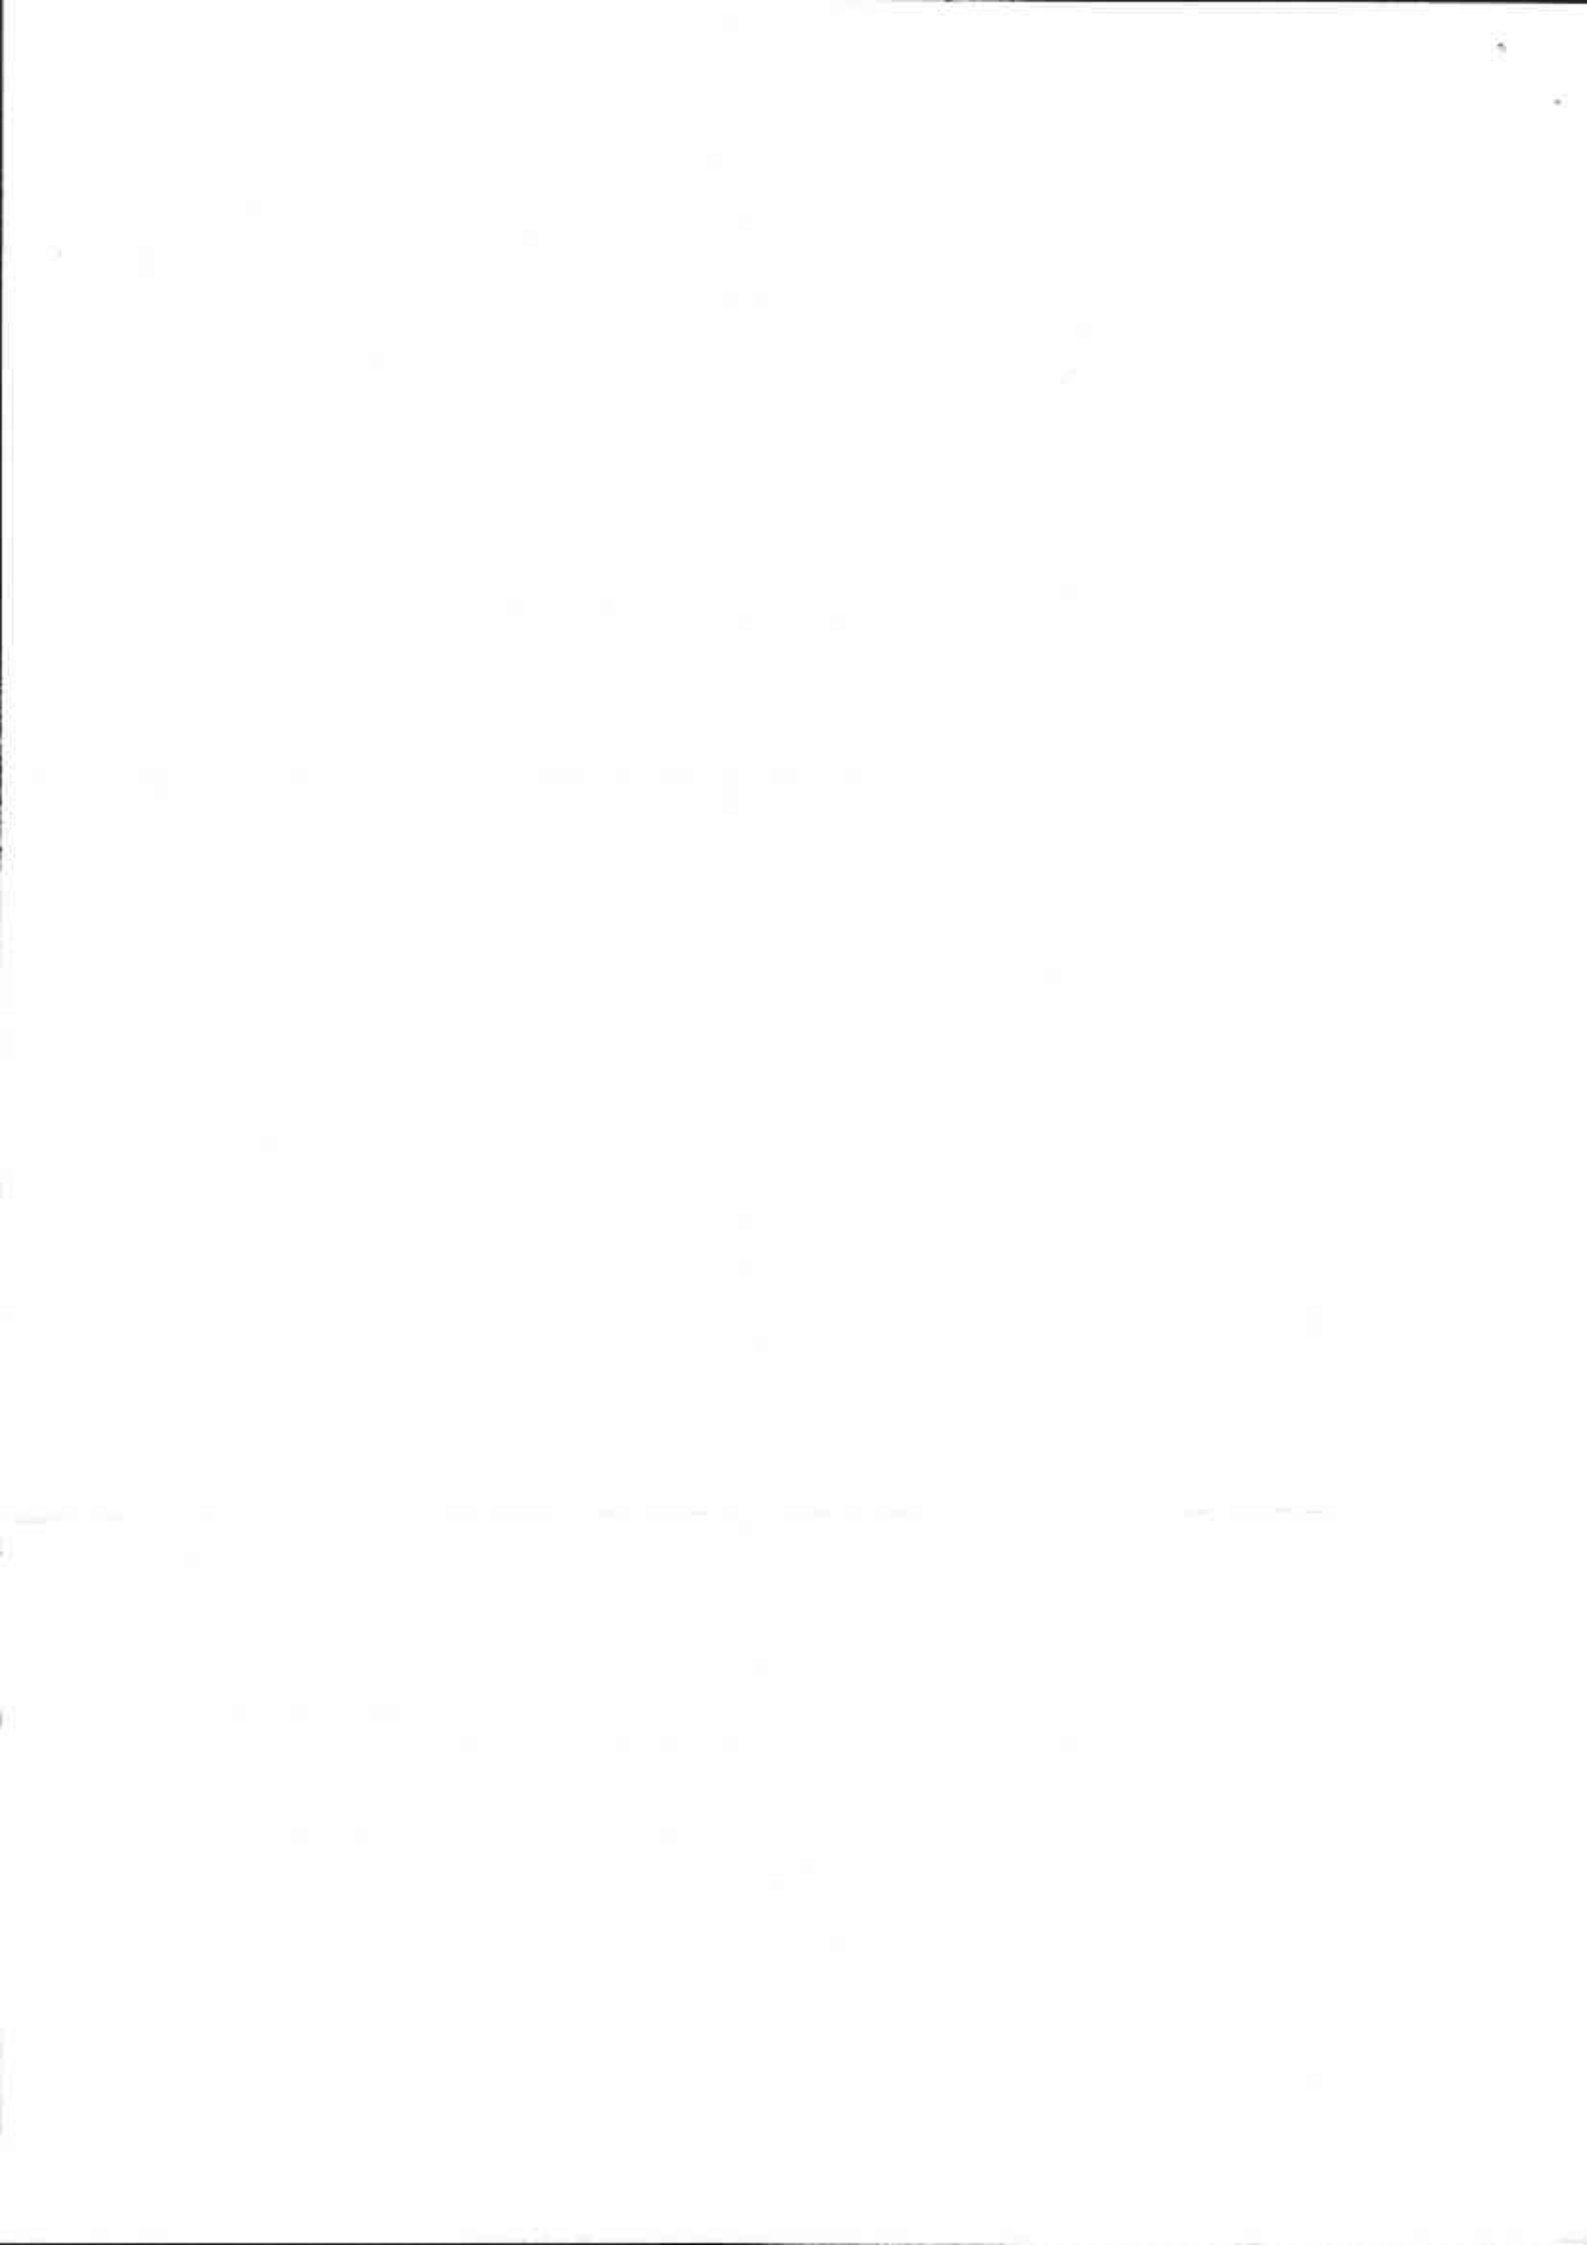

Toys, made and donated by members went to Knox Council Community Appeal. The Staff thanked us, but to DATE there has been no letter.

Peter Sleeman has been busy again in organizing a Coach trip around the bay, crossing on the Ferry, and lunch on the Wharf at Geelong. This is to be on Thursday, May 4th, Cost to be \$28 per person. First 48 to get seats. Thanks Peter.

I would like to thank the members who have been able to obtain Timber and collected it for the Club.

David Howell

ODDS & ENDS

A sailor meets a pirate in a bar and they take turns recounting their adventures at sea. Noting the pirate's peg-leg, hook and eye patch, the sailor asks, "So how did you end up with the peg-leg then?" The pirate replied, "We was caught in a monster storm off the Cape and a giant wave swept me overboard. Just as they were pulling me out, a school of sharks appeared and one of 'em bit me leg off". "Blimey!", said the sailor, "what about the hook then?." "Ahhh...", mused the pirate, "we was boardin' a trader ship, pistols blastin' and swords swingin this way and that and in the fracas me hand got chopped off". "Zounds", remarked the sailor, "and how came ye by the eye patch then?". "Well matey, a seagull droppin' fell into me eye", answered the pirate. "You lost your eye to a seagull dropping?", the pirate asked incredulously. "Well", replied the pirate, "it was me first day with me new hook".

Great minds discuss ideas;
Average minds discuss events.
Small minds discuss people !

Beautiful young people are accidents of nature.
But beautiful old people are works of art !

Learn from the mistakes of others,
You can't live long enough to make them all *yourself*.
