### President's Report – Hughie Gaynor.

2014/2015 has been another busy and successful year for The Woodies. Without a doubt the achievements that have been made would not have been possible without our hard working **General Committee** who have the foresight to keep suggesting issues and improvements around the Club that has made life more enjoyable and easier for all members. In many Organisations in a traditional business sense measure success on the amount of money that has been made in the past year, but in our case, might I suggest that our success is measured in a totally different manner.

(above: Stringybark Festival in full swing)

I consider that our methods of success are measured in a less tangible manner, however, I consider that our measures can best be summarised by the following 8 principles:

- it should be an Organisation where all members, especially new ones, are made to feel welcome and are able to freely ask for advice,
- it should be a place that when appeals are made for help, there is a good response forthcoming from members,
- it should be a place that is all inclusive for all despite a persons' age or sex,
- it should be a place where members are confident that they are working in a safe environment,
- it should be a place where members feel free to ask any questions,
- It should be a place to cater for the future needs of members,
- it should be a place that recognises our supporters and encourage involvement with other community groups especially those that are involved dealing with those who are less fortunate,
- It should be a place that as far as practical fosters and encourages woodworking skills in as many disciplines that reflects the member's wishes.

I have no doubt that in the past year **The Woodies** have succeeded in every criteria. A snapshot of some of the major highlights this year are listed hereunder:

- Donation of a defibrillator by the Bendigo Bank,
- Toy presentation increased from 3 to 6 volunteer Organisations,
- Complete set of Indoor Bowls purchased,
- Knox Council replaced previous entrance steps with a ramp,
- Successful involvement with Knox and Stringybark Festivals,
- Updated Safety Procedures introduced which all members have committed to,
- Jointer updated to helical cutter head,
- Successful Trivia and
- Christmas in July functions held which were totally catered for by members,
- New website introduced and enhanced
- use made by Email to keep members informed,
- Secure Timber Store for Club Projects and
- Festival Storage Shed constructed,
- 25th Anniversary Be In It member competition held,
- Industrial Curtains for Clubroom Doors and Entrance has improved the overall amenity,
- With the assistance of a Knox Council Community Grant replacement of the oldest band saw was achieved,
- Large number of Special Projects completed,
- Timber Store rationalised and refurbished with 3 A frames, designed in house, commissioned,
- Exterior of Clubrooms re-painted by Knox Council Contractors,
- Ongoing discussions with Council Officers to improve safety on the entry/exit of the Glenfern Road driveway

### President's Report (Continued)

The above list is not meant to be inclusive, but, we all must reflect on the number of day to day jobs that are done by members without any fuss or fanfare which certainly makes life a lot easier for all members. Can you imagine how the Club would operate if only some of the following tasks were not done regularly

- key holder duties,
- machine maintenance,
- cleaning,
- exchange of dust extractor bags,
- large variety of admin tasks,
- empty garbage and put out the bins on a Tuesday,
- support at the regular Working Bees,
- supply of tea/coffee/milk/cups/tea towels and not forgetting toilet rolls !!!.

We all owe these unsung members for their ongoing generosity of spirit, who undertake these tasks. If members wish to participate on a regular basis, I can guarantee, that training will be provided.

The ongoing practical support from the **City of Knox, Bendigo Bank** and a number of **trade suppliers** is certainly appreciated and my role has been made that much easier with the ongoing support of the General Committee and members overall.

.....**Hughie.**  
**KDWC President (re-elected)**

### Bill Gillingham "Member of the Year" AWARD - 2015

It was with great pride and surprise that **Karen Button** was presented this year's **Bill Gillingham "MEMBER OF THE YEAR" award**. There is absolutely no doubt, that her passion and enthusiasm around the club, as Social Committee leader, event management, and all round 'good gal' Woodie, helping fellow members and supporting the Club tirelessly, made it a simple task to present her with this **prestigious award**.

Seen here being presented with her plaque by **Sandra Bell** (Bill's daughter). See: <http://www.alchester.com.au/kdwc/kdwcgill.htm>

### Life Membership 2015

At the **AGM**, Hughie Gaynor announced..... *"Over the years he has very generously used his business skills to assist the Club maintain and improve all types of record keeping and he has introduced a number of new initiatives to ensure that as the Club's membership has progressively increased past Committees have not been unduly burdened on administration issues. In this new era of computerisation he has been instrumental in assisting the Club progressively introduce a number of new electronic initiatives to meet both members and legal requirements."*

*"This person has generously provided the grunt with our Newsletter production over many years and is without a doubt our resident IT guru who has also been responsible for the creation and sponsorship of the Club's new website. It should be specifically noted that this listing of issues, he provides, are done*

*on a pro bono basis which has saved the Club considerable funds over the years. If this narrative is not enough to give you a clue who this worthy recipient is he also audits our books each year. It gives me great pleasure on behalf of the Club to recommend to the 2015 AGM that **Gary Pope** be awarded life*

*membership for his fantastic contribution."*

### 2015 President's Awards

#### **Larry Bearman.**

A big man with a big heart who is willing and able to go that extra yard in terms of helping out wherever and whatever will benefit The Club. His original interest was in the horse making area, but, after completing 2 horses he decided that his carving skills would be enhanced if he took up wood-turning where he has taken these new skills to heart and now leads the Tuesday night turners. Apart from woodworking skills he is always on the look-out for opportunities to acquire materials and goods from his employment and the Club have been fortunate to be the beneficiary of many items. With his personal wit and charm who could forget his master class as the MC for our Trivia Social nights and his performance as Santa at our inaugural Christmas in July convinced a number of people that he was the real deal.

#### **Bruce Cockerill.**

Apart from being one of the masterminds in the Toy making area for some years, Bruce volunteered to become a Committee person in 2013. His wise counsel has been invaluable in many issues related to the number of Projects that have helped improve the Club. His passion for getting things right "first time around" is also starting to become legendary and his offer to become the Publicity Officer for the Club has ensured that the Woodies profile is now regularly featured in a number of Community circles. He is a person who has The Club at heart and is always willing to lend assistance on whatever jobs need doing.

#### **George Knight.**

For over 10 years George has willingly imparted his considerable skills on all aspects of furniture making which is available to any member on a Thursday evening. He has a unique method of teaching fellow members which allows each member irrespective of their skill level to undertake their work at their own pace whether it is a common or an individual project. Nothing is ever a bother to George as members will testify that he is patience personified when it comes to explaining the correct techniques involved. Even when he moved to Hastings some years ago he has continued to lead the Group on a Thursday evening and I for one would politely suggest that without George at the Thursday evening sessions the Club would not have such a great number of talented wood-craft members.

#### **Tom Noonan.**

Many would suggest that Tom is a quiet and shy person, but, don't be fooled he is simply concentrating on the job at hand and when he has completed his task he is always up for a good yarn. Apart from being a "quiet achiever" Tom is probably better known to new members around the Club as the person to ask about Club Clothing which he inherited 2 years ago and his dedication to this thankless task has now put the ordering/stocks/sizes etc on a proper footing. In addition to volunteering to become a Committee person in 2013 he has acted as Club Secretary on a number of occasions and his unique ability to keep focused and ask pertinent questions on issues has ensured that The Club always achieves the best outcomes. He has also taken on the role to liaise with a number of Ferntree Gully Community Groups and has been responsible for organising and manning public displays.

#### **Rodney Williams.**

Rodney is a person who is willing to have a go at any job that needs to be done ranging from the more simpler tasks such as clean ups and demolition to the more complex issues such as, electrical and maintenance issues. With the introduction of our enhanced Safety Procedures in 2014 Rodney worked tirelessly to ensure that all machines were fitted or modified in a consistent manner with appropriate emergency stop mechanisms applicable to each machine ensuring that the Club can proudly boast of our Safety Awareness program which all members commit to. Rodney joined the Committee in 2013 and has willingly undertaken the lead role in a number of Club Projects and has capably represented the Club on a number of occasions in his role of Vice President.

**Newsletters and important news by email**

**\*\*\* IMPORTANT \*\*\***

Have you **changed your email address** and not told us? Are you missing receiving NEWSLETTERS by EMAIL? Perhaps our emails are in your **SPAM or JUNK** folder? If you've changed your email address, **we need to know.** Send **Albert Bak** ([secretary@knoxwoodies.org.au](mailto:secretary@knoxwoodies.org.au)) a request for **Eric/Gary** to update your email address. We've had members say they aren't getting the news, yet their email address is in our list. If you have technical issues on this, call Gary: 0408994799

**Today's riddle for seniors, and not so seniors ...**

Here is the situation:  
 .You are on a horse, galloping at a constant speed.  
 .On your right side is a sharp drop-off.  
 .On your left side is an elephant traveling at the same speed as you.  
 .Directly in front of you is a galloping kangaroo and your horse is unable to overtake it.  
 .Behind you is a lion running at the same speed as you and the kangaroo.

**What must you do** to get out of this highly dangerous situation?

Think logically now..... **(answer at foot of the page!)**

**Typical questions we get about joining the Club**

The many emails/calls we receive enquiring about what is involved in joining the club. Some usual questions are:

- Can we teach? No. we can't, we are not allowed to. But we share a great lot of experience with fellow members.
- Are there other lady members? Sure are – we have plenty. Age, gender, occupations and team preferences are of no issue with 'Woodies'. We're just crazy about wood!
- How do I find out about what the club is like? Well drop in on a meeting night (1<sup>st</sup> of the month) or when the club is open, We love showing visitors how to become members! Refer to last page of latest NEWSLETTER for open times.

**A BIG THANKS to Ferntree Gully Cricket Club**

With the recent fire at neighbors facilities resulting in a total loss of power for the KDWC, the **FTG CC** came to our rescue permitting the AGM to carry on without a hitch. It's terrific when community groups recognise the needs of others and rally to assist. Seen here is the re-election of the **Executive Committee for 2015-16** – all positions unanimously re-elected. Congratulations to the 2015-16 Committee and Executive, and a big "Woodies" cheers for another job well done last year by this industrious group.

**Phil Spencer shares:.... Reverse Angle Shooting Board**

The normal angled shooting board is angled down I decided to try something different, **George Knight** will have a few comments on this.

Here is something I have been playing around with....a reverse angle shooting board, the angle slopes up instead of down, my theory is the wood will be better supported and less chance of chips because as the plane passes the end grain all the wood fibres are supported better. ....[Phil]

**Ferntree Gully Discovery Day**

**Call for assistance from the Woodies!**

see: <http://www.mdlc.com.au/community/events>

The Woodies will be having a stand at the **Ferntree Gully Discovery Day** to be held in the Fentree Gully Village between 10am and 2pm on Saturday November 28<sup>th</sup>.

The stand will showcase the activities that the Woodies are involved in and the aim is to raise our profile locally and hopefully attract new members. Previous years have generated interest and new members for the club.

The Woodies will use the Bendigo Bank marquee and we need a few bodies to help on the day. Three people to set up and man the stall for a couple of hours followed by a another three members to man the second half and pack up after would be good.

If you can help, give **Tom Noonan** a ring on **9752 2211** or email on [noonatom@hotmail.com](mailto:noonatom@hotmail.com).

**HUMOR - SCHOOL - 1950s v 2014**

**Scenario:** Johnny and Mark get into a fight after school.

**1950s** - Crowd gathers. Mark wins. Johnny and Mark shake hands and end up best friends.

**2014** -Police called, and they arrest Johnny and Mark & charge them with assault. Both expelled even though Johnny started it. Both children go to anger management programmes for 3 months. School governors hold meeting to implement bullying prevention programmes.

**Scenario:** Robbie won't be still in class, disrupts students.

**1950s** - Robbie sent to the office and given six of the best by the Principal. Returns to class, sits still and does not disrupt class again.

**2014** - Robbie given huge doses of Ritalin. Becomes a zombie. Tested for ADHD – result deemed to be positive. Robbie's parents get fortnightly disability payments and school gets extra funding from government because Robbie has a disability.

**Scenario:** Billy breaks a window in his neighbour's car and his Dad gives him a whipping with his belt.

**1950s** - Billy is more careful next time, grows up normal, goes to college, and becomes a successful businessman.

**2014** - Billy's dad is arrested for child abuse. Billy removed to foster care; joins a gang; ends up in jail.

**Scenario:** Mark gets headache & takes some Aspirin to school.

**1950s** - Mark gets glass of water from Principal to take aspirin with, Passes exams & becomes a solicitor.

**2014** -Police called, car searched for drugs and weapons. Mark expelled from school for drug taking. Ends up as a drop out.

**Scenario:** Johnny takes apart leftover fireworks from Guy Fawkes night, puts them in paint tin & blows up wasp's nest.

**1950s** -Wasps die.

**2014**-Police & Anti-Terrorism Squad called. Johnny charged with domestic terrorism, investigate parents, siblings removed from home, computers confiscated. Johnny's Dad goes on a terror watch list and is never allowed to fly in an aeroplane again.

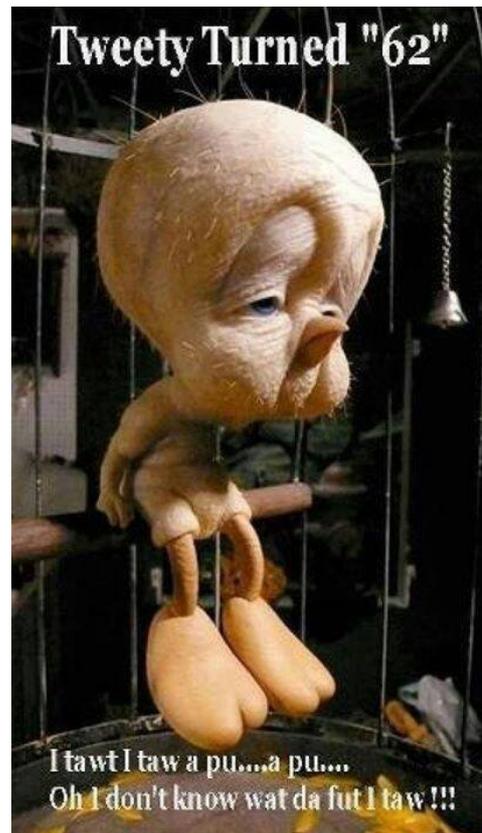

**Scenario:** Johnny falls over playing football during morning break and scrapes his knee. He is found crying by his teacher, Mary. She hugs him to comfort him.

**1950s** -In a short time, Johnny feels better and goes on playing football. No damage done.

**2014** -Mary is accused of being a sexual predator and loses her job. She faces 3 years in prison.

Johnny undergoes 5 years of therapy and ends up gay.
