	Onsite attendance (say 2 hrs) PLUS any setup time required to assist with connection of ADSL to your building (ie: cable laying) would be additional at our consulting rates of \$93.50/hr incl GST. We can also offer firewall and security products to safeguard your LAN/WAN network at the site. P.O.A.				
	Application is dependent upon the PSTN line having ADSL transmission line quality, and is checked during the application period (7-10 working days). Should the line NOT be of sufficient ADSL quality (transmission signal strength), then a further application and delay may be needed. username: password: Telstra Hostname: lon32.Melbourne Telstra Gateway IP: 165.228.x.x Customer WAN IP: 165.228.x.x mask: 255.255.255.0 Customer LAN IP's: 203.49.x.x/29 DNS#1: 139.130.4.4.
