Knox & District Woodworkers Club Inc.

General Meeting: 1st Wed. of Month (except January) at 7.00pm Held at Clubrooms Glenfern Rd. Ferntree Gully (opposite No 44)

Strange, but it only feels as though it was just a year or two ago that I was sitting at a computer and typing up the Ingrained Newsletter.

All members should thank Ivor for his contribution to the club in keeping the newsletter going for two years. I can only hope that you, the members, understand that this newsletter is your way of keeping in contact with the other members and passing on news and tips.

The size of this newsletter is strictly governed by the amount of information that you pass on to be to include.

From ALF....

Dear woodies, well we are now into our 5th year of existence and growing stronger by the day.

The AGM seemed to go over very well, with a lot of new faces on the committee coming in with a lot of new enthusiasm. The extension to our building look like a certainty now, with Knox Council starting the ball rolling with a \$2,500 grant. Thanks to Cr. Frank Johnson and Cr. Karen Griffin. Our new president Peter Howell is certainly all fired up with enthusiasm and it is now up to us ordinary members to get behind him and give him all the support we can.

It was good to see Stan Gunther back at our club for the AGM. Stan recently shifted house to one with a fire place and now he has got to go and get fire wood. It was on one of his recent fire wood collection ventures that he pulled the muscles in his shoulder and has been very conspicuous by his absence. Good to see you back Stan.

If you know of, or hear of, any of our members who are feeling a bit off colour, please let the committee know about it and someone might be able to pay them a friendly visit. (You could also leave a note on our notice board so that the information will spread in a more timely manner..ed.)

For the unemployed and retirees, we are open every Thursday 10::aam to 3:30pm. You can come and leave at your lessure; Work on your own project, or one of the club's. There is always someone there to help you if it is needed.

Regards Alf..

STRINGY BARK FESTIVAL.

It was good to see the odd new face pitching in and giving us a hand at the festival. However, the majority of the work is still being done be the faithful few.

Event after event the same old crew turn up to give their all. At this event it was through the direct efforts of these people that an amount of about \$700 was raised to boost the club funds.

A sincere thanks to the workers in the club.
